### T14 Owl Guards

#### Parts List

- 4) Aluminum rods 25-3/4" long
- 4) Aluminum rods 18-3/4" long
- 8) 3/8 metal clamps
- 16) #6 x 3/4" screws

STEP 1: Attach one 26-3/4" rod at the corner of the bottom porch by insert a 3/4" screw into the predrill hole located at one end of the rod. The 26-3/4" rods will mount onto the side that has four compartments.

STEP 2: Slide the 3/8 metal clamp over the rod and compress with your fingers. Screw the clamp onto the corner of the top porch.

STEP 3: On the same porch, at the opposite corner attach another 26-3/4" rod repeating step 1 and 2.

STEP 4: Repeat steps 1, 2 and 3 for the remaining sides. The 19-3/4" rods will mount onto the sides with three compartments.
